

Evofem Biosciences, Inc., (NASDAQ: EVFM) is a commercial-stage biopharmaceutical company committed to developing and commercializing innovative products to address unmet needs in women's sexual and reproductive health. Evofem Biosciences aims to advance the lives of women by developing innovative solutions, such as woman-controlled contraception and potential protection from certain sexually transmitted infections (STIs). The Company's first commercial product, Phexxi™ (lactic acid, citric acid and potassium bitartrate), is approved in the United States for the prevention of pregnancy. The Company is advancing EVO100 for the prevention of urogenital transmission of both Chlamydia trachomatis infection (chlamydia) and Neisseria gonorrhoeae infection (gonorrhea) in women.

We are a growing team based in San Diego, CA. Our sole purpose is also our soul purpose: to improve the lives of women. We are committed to discovering and developing innovative healthcare solutions that put women first.

Regional Sales Representative

Job Summary:

The Regional Sales Representative is a professional in the healthcare industry who is responsible for meeting and exceeding product sales goals and management of physician relationships within a specific geography. The Regional Sales Representative must demonstrate a strong understanding of necessary disease states and possess a solid ability to communicate necessary technical, scientific, product and disease management information to customers. The Regional Sales Representative will provide the most current information pertaining to Evofem products and their approved indications in accordance with current Evofem Compliance Guidelines which will ensure the appropriate use of these products and achieve the business potential with each respective territory.

The Regional Sales Representative is exempt under the outside sales exemption and is expected to customarily and regularly spend more than half of his/her working time away from the Company's established place of business or home office engaged in activities related to selling Evofem products distributed by the Company to customers.

The job requires the Regional Sales Representative to spend his/her time primarily working with contacts in the field, for example, in meetings with clients to develop and close sales. If, at any time, the RSR is not customarily spending more than half of Employee's working time engaging in such duties outside of the Company's established place of business, the RSR shall immediately notify his/her direct supervisor or manager.

Essential Duties & Job Responsibilities:

- Meeting and speaking in-person with actual or potential customers.
- Traveling to customers place of business and spending substantial time to advance the sales process.

- Driving to visit actual or potential customers.
 - Analyzing, utilizing, and compiling prospect lists for purposes of calling and/or meeting with actual or potential customers.
 - Clearly and persuasively presenting Evofem products to actual or potential customers.
 - Effectively socializing with actual or potential customers.
 - Neat, accurate, and timely preparation of paperwork necessary to consummate transactions with actual or potential customers.
 - Neat, accurate, and timely preparation of reports of business transactions and expense accounts.
 - Gathering and inputting data related to selling and client service processes.
 - Other duties may be assigned.
 - Actively in the field at minimum 9am – 5pm conducting job responsibilities (exception by supervisor approval).
- **Clinical Selling/Account Management**
 - Ability to engage in complex clinical discussions with target customers to achieve performance objectives.
 - Ability to learn and retain clinical and scientific information – engaging in sensitive women’s anatomical discussions.
 - Build and maintain strong relationships with key customers across multiple settings.
- **Teamwork**
 - Ability to work both independently and in a team setting towards meeting established sales objectives.
 - Effective in the art of building rapport, team cohesiveness and professional relationships with both internal and external stakeholders.
 - Embraces an entrepreneurial mentality, learning from mistakes and taking positive risks.
 - Encourages open dialogue and diversity of thought.
- **Business Acumen**
 - Utilize the business planning process to drive results and improve results through a prospective and analytical approach.
 - Well-developed written and oral communication skills.
 - Well organized and able to demonstrate customer and marketplace expertise in face of disruptive environments.
 - Ability and aptitude to embrace and implement new technologies.
- **Success metrics:**
 - Sales objectives.
 - Productivity metrics (e.g., calls per day, reach and frequency, calls to targeted customers, number of prescriptions).
 - Successful launch of new products.

Supervisory Responsibility: None.
